August 1, 2012

Dear Dana,

On behalf of the staff and Board at the Community Environmental Council, I want to thank you for the awesome filtering system you and Jim installed in our office kitchen. It allows us to fill our individual water bottles with fresh, clean water and avoid the waste of purchasing disposable bottled water.

The water bar is not only an esthetically pleasing set up, but having the option of two unique water selections meets everyone's preferences for health, tea/coffee and plain drinking water choices. We are all thrilled! ...

We are proud to share these numbers from CEC's 2012 Earth Day Festival:

- 923 people took a test drive in one of the new electric vehicles in the Green Car Show.
- We counted about 1,500 bikes at the festival. 850 took advantage of free valet bike parking in Bike World.
- The amount of water distributed by our water stations this year was equivalent to 2,000 plastic bottles.
- 85% of the waste generated by the festival was diverted from the landfill.

We invite you to stay connected with CEC:

- Sign up for news on our website at [www.cecsb.org](http://www.cecsb.org).
- 'Like' us on Facebook at <http://www.facebook.com/CECSB>
- View and share our video at [www.cecsb.org/watch](http://www.cecsb.org/watch)

Thank you again for your support.

Sincerely,

**Dave Davis**  
CEO/Executive Director
